

FIREFIGHTERS FOR SANTA!

Help us provide Christmas to the children in our community who would go without. Many families experience a sudden, unexpected hardship during the holiday season and we are here to help relieve some of that stress, but we need your help to do that.

HOW YOU CAN HELP: Firefighters for Santa and Three Rivers Community Schools are teaming up to help! Each school in the TRCS district will have a drop off bin for gifts. When a student drops off a new, unwrapped gift they will be entered into a drawing for a chance to go on a ride in a fire truck! Toy donations start the week of November 10th and will end December 12th.

Winners will be chosen the week of December 17th, at the school's discretion, and the winners will be notified via their school.

A wide age and variety of gifts are needed!
