The mission of Three Rivers Community Schools is to <u>educate</u>, <u>motivate</u>, and <u>inspire</u> all students to reach their full potential to become successful adults and to pursue their <u>dreams</u>.

Educate: to teach, train, or advise someone.

Motivate: to provide a reason for doing something. Inspire: to excite, encourage, or breathe life into. Dream: to create a vision in the imagination.

CRITICAL THINKING (CRT)	
ONLINE COURSE	COMMUNITY EXPERT
American Sign Language 101 AND 201 (Grades 3-12)  A fun beginner ASL course taught by a Deaf person, this online class will introduce ASL vocabulary and grammar. 12 instructional weekly videos will be provided on Canvas where students will watch, learn, and complete the accompanying assignments given in PDF form for printing at home. Students will also have the opportunity to record themselves signing and submit their recorded assignments using Studio on Canvas. This course is a great way to learn ASL remotely! (Students must be able to read and comprehend English sentences to complete the coursework, so K-2 could enroll if they're strong readers.)	HOLLY KALLING - AMERICAN SIGN LANGUAGE 101 & 201 (Grades 3-12) hkalling@comcast.net / Virtual
3-12 / Nonessential / Fall / Spring / CRT	THE DIVINE DARTHED OF THE PARTY.
Architecture and Legos (Grades K-8)  LEGOs are universal world-building units and a popular gateway into architecture. Of course, you can build almost anything with them, cars, spaceships, you name it, but buildings of all kinds — from police-stations to castles — are some of the most popular subjects. This course will touch on basic construction skills that can spark an interest in careers in construction.	THREE RIVERS PARTNERSHIP KIT
K-8 / Nonessential / Fall / Spring / CRT Art and Design with Legos (Grades K-8)	THREE RIVERS PARTNERSHIP KIT
LEGOs are universal world-building units and provide unique opportunities to be creative. Each module will include an art period and time throughout history and a chance to represent that in LEGOS. Bringing 2-D art to 3-D form in LEGOS.  K-8 / Nonessential / Fall / Spring / CRT	THINLE INVERS I AINTIVERSITE INT

Build and Program Your Own Computer (Grades 7-12)	FUN LEARNING COMPANY - KITS (Grades K-12)
Following video instruction, students will start with their very own Piper Computer Kit—which they get to assemble into a small, working computer! We then jump into a world of computer code with a simple, yet versatile, programming language called Python. Python is used by everyone from beginners to professionals, so it is a great skill to learn. Kits will be from the Fun Learning Company and will use Fun Learning Company's FLIP online content.	al <u>yssa@funlearningcompany.com</u> / FLIP Online
7-12 / Nonessential / Full Year / CRT	
Building Beyond Legos Elementary (Grades 4-5)  Students will go beyond ordinary Legos and learn	FUN LEARNING COMPANY - KITS (Grades K-12)
to build creations that bend, light up, and incorporate walls/ceilings, including creating chain reactions and their own mini Rube Goldberg Machine. At the end of the course, students keep their own set of Flexo, a copy of Lego Chain Reactions (with build components), and Lego tape, plus receiver tape to continue designing and creating without limits! Kits will be from the Fun Learning Company and will use Fun Learning Company's FLIP online content.	alyssa@funlearningcompany.com / FLIP Online

4-5 / Nonessential / Full Year / CRT

This you the learn and virtue expe	course provides a platform for discovery about and the world around you. Students will have option to explore a variety of self-directed ning experiences to apply their online learning further their understanding of the content. The all content/lessons will relate to specific eriences and provide additional virtual ones as Students are required to complete the virtual ent whether or not they attend each in-person erience.	HEATHER KRENK - DISCOVERY (Grades K-12) 269-587-0154 discovermichiganwithme@gmail.com Various locations in Southwest Michigan.
	ne Building (Grades 5-9)	FUN LEARNING COMPANY - KITS
their they' read Dron comp allow desig	ents will start by learning to solder and making own small, battery-powered, LED circuit. Once the comfortable soldering, students will be by to build and test their first drone – Mini Legone by Kitables. Then we can move on to a more plex drone, using the Flybrix drone kit, which is us to test out quad, hex, and octo airframe gns! Kits will be from Fun Learning Company will use Fun Learning Company's FLIP online ent.	(Grades K-12) <u>alyssa@funlearningcompany.com</u> / FLIP Online

In th Critic skills stude to co This	is course, students will utilize the five parts of cal Thinking while exploring seldom-taught life is. There are many life skills that can benefit ents in their present situation, looking forward ollege, and/or as they move into the workforce. course will touch on 16 life skills which will help tate a smooth transition into adulthood.	ANT COMMONTT LAFENT

6-12 / Nonessential / Fall / Spring / CRT

Inspire - Ideas 3 (Grades K-8)	ANY COMMUNITY EXPERT
(This is a little bit of everything all packaged into one course)	
The course is focused on ideas and inspiring students to try new options. There will be a week or two on all of the electives we offer. This is the perfect course for students who like to be inspired by famous people in each of the career fields.	
K-8 / Nonessential / Fall / Spring / CRT	
Introduction to Robotics 2.0 (Grades 1-4)	FUN LEARNING COMPANY - KITS (Grades K-12)
This class is for students who have taken Jr. Robotics in the past but are not yet ready for the much more complicated building and programming in Robotics I (or 3rd graders just starting with no robotics/programming experience); they will	alyssa@funlearningcompany.com / FLIP Online
"check-out" robots for one semester and then exchange for new robots between semesters. Please note that parents will need to assist students with this class and ensure they are working on their assignments — they will not be completely autonomous. Kits will be from Fun Learning Company and will use Fun Learning Company's FLIP online content.	
1-4 / Nonessential / Full Year / CRT	
Introduction to the Internet (Grades K-12)  The following is a personalized project-based learning style course. Students develop a NEW research project each semester and produce a NEW presentation. Students will practice these skills throughout the year by searching the internet for topics that interest them.	ANY COMMUNITY EXPERT
K-12 / Nonessential / Fall / Spring / CRT  Jr. Robotics (Grades K-2)	FUN LEARNING COMPANY - KITS
Through a combination of instruction students will learn to build and program using different robots throughout the year. Students will draw lines and use color codes to control their Ozobot. Probot Car will help them learn about angles, sensors, and measurements. With Lego WeDo Robots, they'll get to build and program lots of projects, and then make a few even bigger robots with the Simple and Motorized Mechanisms! Kits will be from Fun Learning Company and will use Fun Learning Company's FLIP online content.	(Grades K-12) <u>alyssa@funlearningcompany.com</u> / FLIP Online

LINGUAL LEARNERS (Grades K-12)	ANY CRITICAL THINKING COURSE
Give your child the gift of a second language! Fun full-day program with Spanish immersion classes for beginners or experienced learners. Our students learn Spanish through comprehensible input, using their brain's natural ability to acquire language. We make Spanish fun and interesting through classes in art and culture, music and movement, unit studies and more with games, crafts and activities. We offer classes for kindergarten through middle and high school, with virtual options for Spanish 1, Spanish 2 and advanced Spanish available for older learners. Learn more or schedule a visit on our website — linguallearners.com.	LINGUAL LEARNERS (Grades K-12) 616-262-7298 linguallearners@outlook.com Grand Rapids

SHEPARD SWIM SCHOOL (Grades K-12)	ANY CRITICAL THINKING COURSE or PE COURSE
Shepard Swim School has been teaching children and adults to swim since 1996. We have experienced certified swim instructors trained in CPR and First Aid. At least one life guard will always be in the pool as well. We use a child centered approach with a comfortable learning environment. The water temperature is always 92 degrees and our air temperature is 94 degrees. (No blue lips and shivering in our pool!) Class sizes are small (maximum 4 students to 1 instructor). Students are evaluated each class and pass their level once all skills are mastered.	SHEPARD SWIM SCHOOL (Grades K-12) 574-250-1370 Elkhart IN

SOCCER BUDDIES (Grades K-12)	ANY CRITICAL THINKING COURSE or PE COURSE
We created Soccer Buddies for kids to have an opportunity to develop fitness, skills and confidence in a fun, supportive environment.  Our founder grew up loving sports and learning the values of team play. She wanted other kids to have the same positive experience that challenges their physical ability and grows their self-confidence, all in a non-competitive, super-fun environment. Soccer Buddies is a unique soccer program. Younger kids learn through play so our classes are full of imagination and games. For our bigger kids, we introduce specific skills and team play plus keep all the fun!	SOCCER BUDDIES (Grades K-12) 616-259-0223 info@michigansoccerbuddies.com Schoolcraft Michigan
SWISS VALLEY SKIING (Grades K-12)	ANY CRITICAL THINKING COURSE or PE COURSE
Founded in 1968, Swiss Valley is Southwestern Michigan's favorite place to learn to ski & snowboard! Offering mixed terrain for all abilities, you can be sure to find yourself having a blast all winter long. Swiss Valley offers 11 trails, 2 terrain parks, an award winning PSIA/AASI Snowsports School, and 100% snowmaking on the entire hill! *Note: This must be taken in the Fall semester. EASTEND STUDIO & GALLERY(Grades K-12)	ANY CRITICAL THINKING COURSE or ARTS COURSE
Artist Studio Classes are general art classes offered after school and for homeschool students. All Classes feature a wide variety of art projects. Students will do drawings, paintings, sculpture, mixed media, and ceramics, as well as take part in a variety of art exhibits in the gallery. Classes run all through the school year in 1-month sessions,	EASTEND STUDIO & GALLERY (Grades K-12) 269-789-2379 kat@eastendart.org Marshall MI
and are available to all ages from Pre-K through 9th grade.  K-9 / Nonessential / Fall / Spring / VPA	
ELIZABETH COLE BASIC COOKING  Syllabus  This will be a basic cooking class to learn how to	ANY CRITICAL THINKING COURSE or ARTS COURSE
follow some simple recipes. Busy homeschool mom's don't always have the time to bake and cook with their kids. My goal is to be able to have kids make a simple nutritious meal for their family to give mom a break one night a week.	Friday Afternoons or Saturdays Lowell, MI 616-691-1073
AMIGO NATURE CENTRE (Grades K-12)	ANY CRITICAL THINKING COURSE or ARTS COURSE
For 53 years, the Outdoor and Environmental Education Program at Amigo Centre has provided an opportunity for students to be challenged through engaging in the outdoors and developing a better understanding of the natural world around them.	AMIGO NATURE CENTRE (Grades K-12) 269-651-2811 nature@amigocentre.org Sturgis MI
CAMP EBERHART EQUINE (Grades K-12)	ANY CRITICAL THINKING COURSE or ARTS COURSE
YMCA Camp Eberhart's equestrian programs combine safe and healthy horses, trained staff, and excellent facilities to create a positive atmosphere where campers can focus on horses. These programs allow our campers the opportunity to advance their horseback riding skills, expand their horsemanship knowledge, and enjoy riding with friends. Plus, all YMCA Camp Eberhart horseback riding programs are instructed by equestriantrained, CPR/First Aid certified staff. Our goal is to teach participants the fundamentals of riding while developing skills, coordination, confidence, and self-esteem.	CAMP EBERHART EQUINE (Grades K-12) 269-268-0282 Three Rivers MI

FIREBIRD ACADEMY (Grades K-12) Welcome to FIREBIRD where love and passion for the Arts is embraced, encouraged and nurtured. Through careful tutelage, our experienced and qualified staff helps each student mold themselves into their greatest potential! The school offers classes for all ages and skill levels in Art, Dance, Music, Voice, and Theater. With this in mind, we eagerly invite you to explore our site whether you are wanting to begin or advance a serious study or just leisurely dabble in a creative outlet. Either way, at our new facility in downtown Coldwater, it's never been easier to learn something new!	ANY CRITICAL THINKING COURSE or ARTS COURSE  FIREBIRD ACADEMY (Grades K-12) 517-279-7783 firebirdacademy@outlook.com Coldwater MI
FIVE STAR EQUINE (Grades K-12)  At Summit, we integrate the soft skills kids develop through character, mindset, and leadership curriculum with a variety of specific hard skills (equine, archery, nature education, adventure, art, etc). Summit provides the perfect on-ramp for kids to pursue and develop these hard skills, an introduction to a new world of possibilities, while also focusing on mindset development. 6 Lessons are provided	ANY CRITICAL THINKING COURSE or ARTS COURSE  FIVE STAR EQUINE (Grades K-12) 574-876-6458 info@fivestarlife.org Elkhart IN
FOX RUN EQUINE (Grades K-12)  Jean is the owner of Fox Run Stables in Shipshewana and has been instructing for 30 years. Foxrun offers lessons in hunter/jumper, dressage and western disciplines. This is a family-oriented stable where you can take lessons, attend camp, lease or board your own horse. ### PIANO/VOICE - COLLEEN YONGE (Grades K-12)

Colleen Yonge holds a Master's Degree in Music Education with ten years of classroom teaching experience. She has given private lessons to music students for the past three decades. Colleen has directed children's musicals, small singing ensembles, and group music workshops. Her specialties include piano, flute, and voice. For the past ten years, she has been a MusikGarten Instructor working with children (2-5 year-olds). She currently offers piano, flute, and voice lessons to students on a weekly basis in her home studio.
